

6th International Conference on Digital Economy

July 15th-17th, 2021 - Estonia

Online Conference

Deadline for Special Session Proposals

January 20th, 2021

Special Session Submission Procedure

Proposals of special sessions should indicate:

- 1) Title
- 2) Aims and scope
- 3) Topics of interest
- 4) Relevance to the main conference tracks and topics
- 5) List of organizers including affiliation, country, email, a short biographical sketch, and past special sessions or relevant events.
- 6) Potential committee members.

Special session organizers are invited to promote their sessions, assign reviewers to papers and make recommendations of acceptance/rejection in collaboration with the program committee.

All accepted papers will be published in a special section of the conference proceedings book.

CALL FOR SPECIAL SESSION PROPOSALS

The 6th International Conference on Digital Economy (ICDEc) will be held fully online from July 15th to 17th, 2021. The purpose of the Conference is to promote innovative research that highlights the impact of emerging technologies on Business, Economy and Society. The conference program will include special sessions which are expected to provide an overview of the state-of-the-art in a given area and share important research advances in a field of special interest to ICDEc participants.

Types of contributions : Full papers (up to 14 pages), Short papers (up to 6 pages), Demo/case study papers (up to 6 pages)

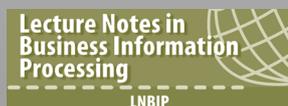

Regular Topics

Emerging technologies: Artificial intelligence, Web Intelligence, Data Science, Information Systems, Knowledge Discovery, Intelligent Agent Systems, Cyber-security, Uncertainty management, Cognitive analytics, Blockchain, Cloud, Deep learning, Recommender systems, IoT, etc.

Business innovation: Digital transformation, Digital Business, Digital Business models, E-Governance, E-Commerce, Data analytics capabilities, Digital Marketing, E-Finance, E-Learning and Cloud Education, E-Health, Competitive intelligence, Social media strategies, Online communication, etc.

Publication

All accepted and presented contributions will be submitted for inclusion in a Springer LNBIP volume. Conference proceedings of ICDEc 2017, 2018, 2019 and 2020 are already available in the digital library of Springer. Selected papers are recommended to be considered in special or regular issues of partner journals.
