8th International Conference on

DIGITAL ECONOMY

Emerging Technologies and Business Innovation

Call for paper

The 8th International Conference on Digital Economy (ICDEc) will be held in the School of Economics and Management, University of Minho, Braga (Portugal) from May 2ed to 4th, 2023.

This conference aims to respond to calls for a multi-disciplinary and multi-sectoriel approaches to the study of digital transformation processes.

Conference topics

The target audience of ICDEc 2023 mainly consists of (but is not limited to) researchers and practitioners in the areas of emerging technologies and business innovation.

Emerging technologies

Artificial intelligence, Web Intelligence, Data Science Information System Knowledge Discovery Intelligent Agent System, Cyber-Security, Uncertainty management Cognitive analytics Blockchain, Deep learning, Recommender IoT systems, Internet of things, Digital Assests, ...

Business Innovation

Digital transformation, Digital Business, Digital business models, Digital Business innovation, e-Governance, e-Commerce, Data analytics, Data Driven decisions, Digital Marketing, E-Learning and Cloud Education, K- Health, Competitive intelligence, Social media strategies, Online communication, ...

Types of contributions

- Full papers (up to 14 pages)
- Short papers (up to 5 pages)
- Special session proposals.
- Extended abstract for poster session (research in progress)

Publication

- All accepted and presented contributions (excepting poster sessions) will be submitted for inclusion in a Springer LNBI' volume. Annual conference proceedings' of ICDEC from 2017 to 2022 are already available in the digital library of Springer.
- Selected papers may be considered for publication in special or regular issues of partner journals.

Submission and paper selection

- Researchers are invited to submit scientific papers related to emerging technologies and business innovation. Submitted papers are selected based on their originality, relevance to the conference topics and scientific quality, and following a double blind peer-reviewing process.
- At least, one of the authors of an accepted submission should attend the conference to present the contribution.
- Papers should be submitted in PDF format through the EasyChair system. English is the only accepted language for writing and presenting papers.
- The submission link will be available soon on the conference website
